ISTEP+ Testing

ISTEP+ testing will be February 26 - March 6.

Please remember a few items.

- * Please get to bed at an early time for plenty of rest.
- * Remember to have a healthy breakfast to start your day.
(FREE AT SCHOOL!)
- * Read the question before you look at the answers.
- * Eliminate answers you know aren't right.
- * If you do not know the answer, make a smart guess and select an answer.
- * Mark your answers carefully.
- * Make sure you work at a pace that will give you enough time to finish the test.
- * If you have time left, go back and check your answers.

Keep Calm and Believe in Yourself!

SAVE THE DATE - April 10, 2018

Kindergarten Round -Up
information is available in
the front office.

* Medication Policy *

Please do not send medicine to school with your student. Parent/guardian will need to bring any medicine that the student is to take into the office and fill out a form with the nurse.

We Celebrate National School Breakfast Week, March 5-9

Parents, we know that your mornings are hectic and it is not easy to prepare a well-balanced breakfast for your students. Breakfast at school can help. School breakfast is healthier than ever! We offer fresh fruits, whole grains, limits on trans-fats, and low-fat or fat-free milk. During this week we are setting a goal to increase breakfast participation. If we meet our goal, our school will win a special treat of a build-your-own waffle bar. To make breakfast even more fun, we have invited local police, fire, and EMS professionals to join us for breakfast. *We invite students to give school breakfast a try this week. Your students will love the variety and appreciate the extra energy they get from eating a healthy breakfast.*

Police, Fireman & Sheriff Deputies Breakfast March 5-9

The Food Service Department has invited our local law enforcement and fire departments to join our students for breakfast during the week of March 5-9. Throughout that week there may be more of a law enforcement presence at our schools, please do not be alarmed.

CONGRATULATIONS

Jennifer Regruth

Jackson County Chamber of
Commerce

2018 Teacher of the year!
