Thursday, Dec. 15th, 4:30-6:00pm
****More information coming home soon****

MOY Diagnostics

Starting next week, Students will take the MOY (Middle of the Year) iReady Diagnostics in both Reading and Math.

Students are working to show GROWTH and will be tracking their progress. Some classrooms are even setting a classroom goal for growth and will celebrate their success when it is done.

As a school, we will celebrate a classroom from each grade level with the highest percentage growth for MOY.

These classes will earn a POPCORN party

Please help your child prepare by:

- *Talking with them about working hard and trying their very best
- *Letting them know you believe in him/her
- *Being sure they get many good nights of sleep
- *Asking them how they feel it went

Weather Alerts

Cold weather is approaching, make sure you sign up to receive weather alerts regarding school cancelations and delays. Go to the Seymour Community Schools website and click on Alerts → Weather Alerts sign up.
